# LITTLE ENGINEERS

## My First Railway Light Up Rainbow set

63600200

The aim of the game is simple - light up the rainbow with all of its beautiful colours. To do so, just follow the blinking lights on the tracks with the little wooden train. Each time you correctly follow the lights through the cloud and complete the challenge, the rainbow will light up one of its four colours and a cute melody will play. Light up all the colours and you'll be lucky enough to experience a playful song and light show. 18+ months
