New Abel Factory Art Finishes

4HR+HAND CRAFTED FINISHES

BASE PRICE + \$500

Abel is the only company in the fly fishing industry that offers hand painted, and hand anodized products. The proprietary process we developed takes an incredible amount of time to accomplish, and requires even more patience from our team of factory artists to create. Each hand painted finish in our Tier 1 category requires a minimum of 4 hours to complete, and can certainly be considered a one-of-a-kind heirloom reel.

7HR+HAND CRAFTED FINISHES

BASE PRICE + \$600

The detailed studies we conducted in our art department have proven that some of the graphics we hand-paint take much longer than others to complete. The complex designs in our Tier 2 category require at least 7 hours of our hand painting, and artistic anodizing process resulting in an iconic product available only through Abel Reels.

PAINTS

We're honored to feature, and replicate the work of a few of the most talented artists in the fly fishing industry. Derek DeYoung and Andrea Larko are also each great ambassadors for our sport, and we're proud to have teamed up with them to provide select examples of their beautiful artwork on Abel Reels. The Artist/Signature Series now additionally features original artwork by the Abel team and collaborations of unique graphics with top companies that require a minimum of 11 hours of artistic anodizing time per reel.
