ABOUT THE BOOK

In Brooklyn, where bodegas and bakeries harbor secrets, a tight-knit neighborhood gets pulled into a turf war that crosses the border between our world and the Never-Never. With rival grandmothers throwing shade (and spells), and a heroine who won't stop fighting for what is right, *The Brooklyn Witch* blends humor, heart, and high-stakes enchantment.

CONTENT NOTES

Light fantasy violence, organized-crime themes, grief, family conflict.

HOST TIPS

- Start light: 1–2 spoiler-light impressions, then dive deeper.
- Pick your favorite scene: “Visiting the Queen’s Court,” “The Battle Royale.”
- Create a “Brooklyn Charcuterie”—sweet, savory, or both (it’s an Italian thing—more is better!).
- Sweet: cannoli, black-and-white cookies, seven-layer cookies. Savory: pizza (Sicilian slices), rice balls, and your favorite antipasto.
- Icebreaker (5 minutes): Favorite Block Memory—each person shares a 20–30 second neighborhood memory (a sound, shop, neighbor, or ritual).
