City of residence

Are you in school? If so, where and what year?

How did you first notice Verbena and what makes it special to you?

In what ways do you see yourself bringing customers to Verbena?

What experiences do you have that would translate well into the brand ambassador position?

When it comes to your Instagram content, what is the aesthetic you strive to achieve?

In a broad sense, who are the majority of your Instagram followers? Please be as descriptive as possible.

Who are your top 3 favorite influencers?

Are there any other ways that you think you could contribute to Verbena?
