

Hello fellow pet owners and neighbors. To keep you up to date in our response to the Covid-19 pandemic, here is our latest information.

**Effective starting May 18th,**

We will be Open for Business in our **Eliot store only**, from 9am - 6pm every day except Sunday.

**1) We have permanently closed our Wells, Maine location, effective immediately.**

2) We have reopened our Eliot, Maine store for customer shopping, effective immediately.

**However, There are some rules for safety:**

- All customers must wear a mask
- Only three customers at a time will allowed in the store
- For each group or family, only one person may enter the store at a time
- No pets or children under the age of 12 allowed in the store
- All customers and employees must maintain 6' social distancing
- Customers will be asked to disinfect their hands, or put on new gloves, before entering the store

As mentioned above, **the store hours in Eliot are 9am - 6pm Monday through Saturday.**

**WE ARE SO GLAD TO HAVE YOU BACK IN OUR STORE!!!!**

*Again, more importantly now than ever, we know you have a lot of shopping choices out there and we greatly appreciate your business. Several of your other shopping options are giant corporations who will undoubtedly still be there after this pandemic. We are a small independent company, doing our best to take care of our customers' pet needs. We hope to be here after this all blows over, and your support will make the difference. We are here for you, we hope you will continue to be there for us.*
