

# GAZELLE DOUBLE PANNIER

The Gazelle double pannier is ideal for errands and adventures large and small. With a carrying capacity of 37 liters, this accessory can handle bulkier loads and support longer trips on two wheels. With functional features such as a water-resistant material and hidden rain covers for each pannier, this practical powerhouse is smart and stylish. Specced with the MIK-mounting system, these bags lock securely to the rear rack, ensuring a safe ride for any and all cargo.

- 37L capacity
- Easy mounting with the MIK-system
- Water-resistant fabric
- Main compartment, front compartment, and side compartment provide space for all your items
