

GAZELLE SINGLE PANNIER

The Gazelle single pannier was developed for leisure and everyday use. With an 18.5 liter capacity, this pannier can handle a small load of groceries, a serious haul from the library, or be used as a shoulder bag for off-bike adventures thanks to an included strap. The bag features a large inner compartment, a smaller lockable outer pocket with a zipper, and a flexible front compartment. Items will stay dry and protected thanks to a water-resistant fabric and hidden rain cover, while composite mounting hooks secure the pannier firmly in place on the rear rack.

- 18.5L capacity
- Equipped with a rain cover and removable shoulder strap
- Multiple compartments, including a small lockable outer pocket with a zipper
