

EARTH HOUR

turn
off the
lights!

Fun in the Dark

You don't need lights to have a party! Celebrate Earth Hour and our planet's beauty with some electric-free activities:

Stargazing

Go on a nighttime nature walk

Make no-bake snacks

Play board and card games by candle light

Build a pillow fort

Gather in a group and tell stories

Sit around a campfire

Play memory and word games (such as alphabet train or would you rather?)

Every year
individuals,
communities,
business and
monuments around
the world turn off
their lights for one
hour

Did you know?

The amount of energy we use (or waste!) every single day contributes to climate change.
