

BRAND FEATURE  
**TINY WHALES**

**Tiny Whales** was founded in Los Angeles in 2008 by a husband and wife team. Their work features fun graphics, screen-printing, and quality with every garment.

Co-founder Shaun, was introduced to screen printing while at his families print shop. It didn't take long for his creative side to ignite while learning graphic design and the art of print.

They are constantly inspired by their kids, the things they say and the adventures they go on. They also draw inspiration from memories of their youth.
