

BRAND FEATURE

**QUINCY MAE**

This new addition to Sugarcup already has quite the following! Rylee + Cru's sister brand, Quincy Mae, is created by Kelli Murray, founder of Rylee + Cru.

Quincy Mae is the go-to brand for beautiful, organic baby basics in neutral prints. The line is filled with easy to wear silhouettes and everyday basics built to make dressing your baby simple and convenient.

The minimalist approach to art and prints combined with soft wearable colors will always be the staple design features of Quincy Mae.
