

Loewe bild 3

LOEWE.

Impressive OLED TV experience in 65" and 55", filling the entire room with life. Big images. Big emotions.

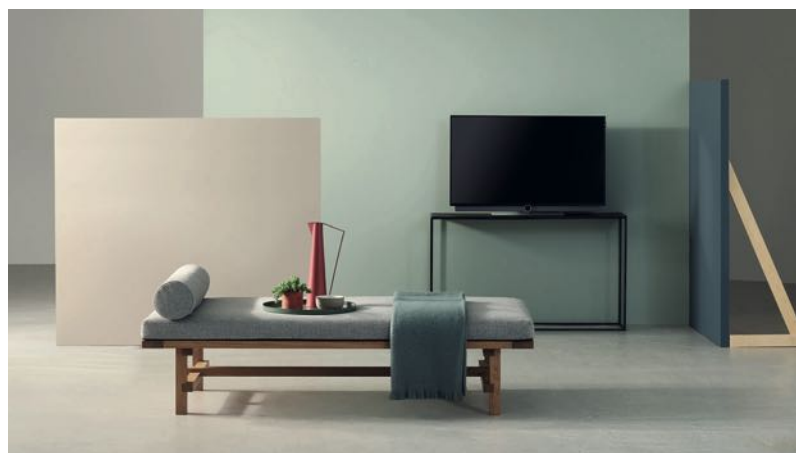

The Loewe bild 3 screens have a light and delicate appearance. Measuring just 4.6mm, the screen is ultra-thin, even with a screen size of up to 164 cm.

Loewe bild 3.49 and bild 3.43 – state-of-the art television with LCD technology and an optional integrated DR+ hard disk. Watch a film while recording your favourite series. Television at any time and anywhere.

Loewe bild 3 can adapt to any lifestyle and becomes a part of your home in next to no time. Vibrant and individual. It combines the most innovative technology, intelligent features and the best Loewe quality – 'Made in Germany'.

Fits. Everywhere. In any home. It could be in a cosy cottage, an elegant period townhouse or a spacious loft flooded with light. Watching television in bed, while cooking or in the living room. Thanks to the wide range of sizes 65" (OLED), 55" (OLED), 49" (LCD) or 43" (LCD), set-up solutions and colours, Loewe bild 3 is the perfect fit for any lifestyle. State-of-the-art OLED technology and latest LCD screens for an impressive television experience. Loewe bild 3 – one television for everyone and anyone.

Design

The modern, minimal design of the Loewe bild 3 leaves plenty of scope for individuality and personality. Choose from a 65", 55", 49" or 43" screen size, on the wall, the sideboard or floor-standing. In Graphite Grey or Light Grey. The television becomes a part of your home in next to no time. Vibrant and individual. Loewe bild 3.65 and 3.55 have a light and delicate appearance, with ultra-thin OLED screens only 4.6 mm thick despite screen sizes of up to 164 cm. A 360-degree design, with magnetic rear cable covers to elegantly conceal the cables for a clean and clutter free set-up. Created for lovers of design, craftsmanship and cutting-edge technology. Made in Germany.

Picture quality

Loewe bild 3 in 65" and 55" have the latest generation OLED screen. Millions of self-lighting pixels generate crystal-clear images. There's no backlight, so when not active, the pixels display pure black for incredible levels of contrast and ultra fine details. With a response time of less than a millisecond rapid movements seem breathtakingly authentic. OLED is captivatingly different. The extremely thin Ultra HD LCD screens of the Loewe bild 3.49 and 3.43 offer four times more resolution (3,840 x 2,160 pixels) than Full HD alternatives. For beautifully natural images with a rich depth of detail.

Loewe DR+

Television at any time. Watch a football match while recording a film with Digital Recording (DR+). Pause live TV programmes and continue watching later where you left off. Save recordings in the archive and then retrieve them whenever you want to. Loewe bild 3.49 and 3.43 are available with an optional integrated DR+ hard disk (1,000 GB memory).

Sound

The powerful 2 x 40 watt (80W), acoustic fabric-covered, forward facing soundbar has an integrated stereo sound system with a bass reflex for voluminous, room-filling sound. Enjoy extremely finely nuanced, clear and authentic audio for high clarity dialogue and dramatic soundtracks. Thanks to Bluetooth, you can stream music from a smartphone or tablet straight to the television or even listen to the TV wearing wireless headphones. The DR+ models, feature a Digital Audio Link (DAL) interface allowing Loewe bild 3.49 and 3.43 to be easily expanded into a home cinema system with Loewe speakers, as 3.1 or up to a 5.2 surround system.

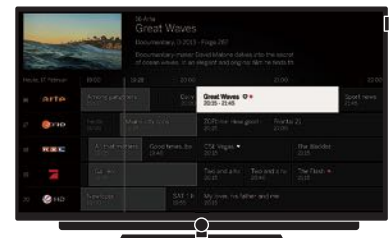

Operation

Simple and intuitive. Everything that's important to you can be found quickly and easily on the Loewe home screen. Your favourite television channels, connected devices, apps, websites, radio stations and music can all be stored on the customisable home screen. Apps such as Amazon Video, Maxdome, YouTube and Tidal, with access to more than 50 million music tracks, are preinstalled. A useful timeline shows the precise viewing point of each program and thanks to Instant Channel Zapping, Loewe bild 3 delivers what feels like the fastest channel switching, for ultimate ease of use and an enjoyable TV experience. Leaving more time for what's important.

Loewe os – operating system

The Loewe home screen is clearly structured and beautifully designed. Favourite TV channels, connected devices, apps and more can be easily and intuitively accessed and managed.

Keep abreast of what's on with the user-friendly TV guide (EPG).

The Loewe app turns into a mobile remote control. Enjoy photos and videos from your mobile phone on your TV screen, continue watching a film in a different room on a tablet, mobile phone or second television. TV programs are easy to record with the Loewe app. Practical for on the go and at home. Smart living.

Highlights

Modern design with slim frame, brushed aluminium and fabric speaker cover.

Fantastic sound quality with a total music output of 2 x 40 watts for all TV sizes.

The 43" and 49" models with optional DR+ and Digital Audio Link allows both recording and pausing live TV, as well as the expansion of the audio system up to 5.2 surround sound.

Full flexibility with Loewe Dual Channel technology.

Loewe os – the smart and easy-to-operate interface for maximum ease of use.

Bluetooth function: to easily stream music or use Bluetooth headphones.
