

BREEZE ALUMINUM

Enjoy the beauty of the outdoors with Homecrest's stunning Breeze collection. The attractive and functional Breeze tables and fire tables feature an all-aluminum construction and are well suited for both dining and deep seating applications. Whether by the dock or on your patio, Breeze combines style and function to create a fresh look in any outdoor space.

Note: Use our lift kit (KIT175) to raise the 37XX series base on all Breeze dining tables an additional 1.75" in height, changing the table height from 27.5" (dining height) to 29.25" (café height).
