

RESIDENTIAL WARRANTY

Outdoor by Design is proud to offer the following warranty on all the products that we produce used in a RESIDENTIAL application.

If a frame structurally fails during normal use, or if the finish peels within fifteen (15) years from the original date of purchase, Outdoor by Design will repair or replace the frame in the original color and style, if not discontinued. If discontinued we will replace the piece with the nearest standard style and finish. Finish is warranted for five (5) on any products with cast components. If the original frame color has been discontinued we will provide a similar frame color.

Outdoor by Design will repair or replace fabric slings, cushions or vinyl straps for a period of two (2) years from the original date of purchase, for defects in materials and/or workmanship.

A Return Materials Authorization must be obtained prior to all returns. Returns without authorization will be refused.
