

WHY YOU WILL LOVE OUR ULTRACORE

ULTRACORE CUSHIONS: *Featured on Allure Modular and Grace Cushion collections.*

UltraCore cushions are considered one of the best cushions in the industry. Its high support factor gives you a very comfortable and luxurious sit while maintaining clean, crisp edges. The thick UltraCore seat cushion is compressed and will keep its resilience. Sunbrella® , Outdura® and Ultraleather® fabrics are available on all UltraCore cushions.

ALLURE BACK CUSHION

Allure back cushions utilize a solid foam core wrapped in moisture-resistant ticking, providing clean edges and a flat bottom. Ticking is glued, not sewn, to prevent moisture penetration.

GRACE BACK CUSHION

The Grace back cushion features a 4" piece of foam that stabilizes and maintains the shape of the cushion. The cushion is then filled with blown-in polyester fiber to create a soft shape and relaxed comfort that you've come to expect from Homecrest.

SEAT CUSHION

UltraCore seat cushions utilize a solid foam core insert wrapped in moisture-resistant ticking that is glued, not sewn, to prevent moisture penetration. Solid core inserts provide a crisp edge and a firm, durable seating surface.

BACK ATTACHMENT & GROMMET VENTING

Seat cushions of all Allure pieces feature two velcro attachments to prevent seat cushion movement when used in an armless configuration. The underside of the seat cushion cover features grommet openings for breathability.
