

EAGLE CREEK ACCESS MAP

ELM STREET GREEN, LIONS CLUB PARK, & CREEKSIDE NATURE PARK

ELM STREET GREEN

- Easy access from parking lot.
- Wading is the most efficient way to fish the creek in this area.
- East side of the creek is private, so stay in the creek to remain on public property.
- Both nymphing and streamers are successful at this location.

Be aware of the stretch of private land between Elm Street Green and Lions Club Park.

LIONS CLUB PARK

- Easy access from parking lot and walking path.
- Wading is the most efficient way to fish the creek in this area.
- East side of the creek is private, so stay in the creek to remain on public property.
- Streamers are recommended in this area.

Public access continues directly from Lions Club Park to Creekside Nature Park under the Sycamore Street Bridge.

CREEKSIDE NATURE PARK

- Accessible from parking lot and walking path off Main Street.
- Wading is the most efficient way to fish the creek in this area.
- Both streamers and nymphing are successful in this part of the creek.

- Access creek through public land only.
- Map boundaries are approximate.
