

How to Return an Item:

At Affordable Street Rods, we want you to be satisfied with your purchase. If you have a problem with an item or your order, please let us know. We can only help you if you talk to us.

1. All returns must be made within 30 days of purchase. All returns must be in re-saleable or new condition and with original packaging intact. Items scratched or damaged in return shipping due to inadequate packaging will be returned to you and no credit will be issued. Copy of original invoice must also be enclosed.
2. Any returns beyond 30 days from date of purchase will be subject to a restocking charge of 20%.
3. Non-stocking or special-order items will be assessed a re-stock fee of 20% or may be non-returnable. Call for more information.
4. Any product that is sold by the foot is non-returnable.
5. Shipping charges on Non-Warranty returns are not refundable. If you make a purchase and change your mind, we cannot refund the shipping charge.
6. Returned items that were sold with "Free Shipping" will be subject to a re-stocking charge equal to our original shipping cost. Additional re-stock fees may also apply.
7. Make sure to wrap the items carefully, place them in a sturdy box and secure with tape. Do not leave items loose in the box as they will most likely be damaged in shipping.
8. You are responsible for return shipping charges and insurance and we do not accept COD returns.
9. Please call Affordable Street Rods at 620-792-2836 for a return authorization number and instructions on your return.
