NOTES

Tie is worked in mosaic knitting, which is a slip stitch technique using two colors. The color worked as the first stitch of the row is considered the dominant color. Each dominant color of the chart is knit, while the contrast color is slipped. Mosaic knitting can be worked in stockinette or garter stitch, but for the purposes of this pattern it will be worked in garter stitch. Chart is read from right to left on RS rows and left to right on WS rows. All sts are slipped purlwise with yarn either in back on RS rows or in front on WS rows.
