KEY FEATURES

BEST IN CLASS MID DRIVE

- The Shimano EP8 mid drive system is made specifically for mountain biking. It gives you a natural feeling ride plus smooth, intuitive power.
- A state-of-the-art battery uses the same advanced lithium-ion cells as an electric car. It's specially designed for the rigors of mountain biking.

RIDE YOUR WAY

Sophisticated software fits your riding style like a glove. You can customize your settings with a bluetooth connected smartphone app. A special left hand switch provides accurate, easy shifting between power-assist modes.

NO COMPROMISES

A bike is only as good as its weakest part, and the Elevate is crafted with select, brand name components from the ground up with no compromises.

PEDEGO[®]
ELECTRIC BIKES

SMALL DETAILS MAKE A BIG DIFFERENCE

1. Computer Display

Specifically designed to be compact and durable for MTB riding.

4. Shimano XT

12-speed drivetrain for easy pedaling and smooth shifting.

2. Full Suspension

Rear: RockShox Revalation RC 150mm Travel
Front: RockShox Super Deluxe Select+ RT

5. Tubeless Ready

All that's needed is tubeless sealant.

3. Shimano XT

Hydraulic disc brakes with 203mm rotors that can stop on a dime.

6. Dropper Seatpost

Raise or lower your seat while riding with the push of a button.
