@runbeyondke

Welcome to our August 2021 catalogue and there's only one place to start. **Team Kenya**. Despite a few heartbreaks, finishing 3rd in the overall Athletics standings (2nd on total medals) is an amazing result. In particular, we bow down to **Emmanuel Korir**, **Faith Kipyegon**, **Peres Jepchirchir** and the **GOAT** for bringing home gold.

The hunt for glory continues here in Nairobi, where the next generation of elites are on show in the **World Athletics Under 20 Championships at Kasarani!**

At a more human level, particularly if the cold weather and cancelled races have hit your running mojo, then it's time to start warming up again. There have been some great and unique events in June/July, including the inaugural **Nairobi Marathon Relay** and **Bucketlist Mudathon**. Over the next few months there's lots going on to get you motivated, so it's time to get moving. Check out our **Club Round-up** pages (pg. 11) for more details.

Like many industries, we've seen a lot of disruption to supply chains and challenges and delays in getting stock. Nevertheless, we're happy to have been able to bring in some exciting new gear, as well as additional stock of existing favourites. For shoes, this includes the **Asics Nimbus 23** and **EvoRide 2**, and for those with a more minimalist tendency the **Altra Rivera**; for Garmin, the new **Forerunner 55**, **Venu 2/2S** and a whole new **Approach series** for golfers; and in apparel we're excited by the new **Ronhill Tech Twin Tight** - their most technical tight yet for men - and our first **Sports Hijab**.

It's been sad to learn of the passing of **Dr. Ron Hill**, the former Olympian and European and Commonwealth Champion, founder of the Ronhill brand, and holder of the world record running streak at 52 years and 39 days. Ron's passion for running lives on today in Ronhill, who from the start have been amazingly supportive and encouraging of our vision for Run Beyond. This [biographical blog](#) capturing Ron's life-long running obsession and achievements is well worth the read.

Finally, we've been blown away by some amazing entries for our **Run Map Kenya** project (and to see a Run Map Kenya tee make it up Mt. Kenya). The **interactive map** is now live [here](#) and we're looking forward adding more routes. We've extended the Forerunner 245 draw to the end of August and still have Run Map Kenya tees available, so don't delay in getting your entry in.

In the meantime, keep moving and happy running - the **Run Beyond Team**.

CLUB ROUND-UP

Great to see some amazing things going on despite COVID disruptions!

Massive congratulations to **David Thuo** and everyone who took part in **Nairobi Marathon Relay**. 22 teams competed the six-leg relay which is set to become a highlight of the Nairobi race calendar. Special thanks to our team of **Jai, Joseph, Jabez, Kelvin, Martin and Charles** who finished the 42.4km in 2:44:51, behind Team Pesa Craft who took first place in 2:37:32.

We applaud everyone who, despite the recent cold weather, took on **Bucketlist Adventures Mudathon** as well as to those who completed the **Lukenya Trail Run**. The mud monster photos and smiles are particularly enjoyable.

We'd like to be the first to congratulate **Muindi Kimanzi**, who this month completes a **2 years daily running streak**. It's big commitment and no mean feat. Well done Muindi.

Finally what a year it's been for Kenyan legend **Douglas Wakiihuri**. The former World Champion and Olympian, who continues to contribute at both elite and recreational levels (pictured here in his role as Director of Logistics for the World Athletics Under 20 Championships) has received two special honours: first the Government of Japan awarded Douglas the Order of the Rising Sun, Gold and Silver Star - one of it's highest national honours - for his contribution to the development of the bilateral relationship between Japan and Kenya in the sporting field; and, closer to home, Nairobi MCAs approved the renaming of Aerodrome Road (adjacent to Nyayo National Stadium) as Douglas Wakiihuri Road. Congratulations Douglas on both counts for these well deserved recognitions.
