

Totally Spoke'd ONLINE "BIKE SWAP"

Sell a used bike or find one that's 'new to you' online at our Totally Spoke'd Bike Swap April 2nd - 9th

What Is a "Bike Swap"?

This is an opportunity for us at Totally Spoke'd to give back to our cycling community by helping you sell your used bike or to find yourself a great used bike.

Our 'Bike Swap' is a bike sale that will feature YOUR used bikes. Anyone can bring in their used bike to be displayed to the public. You do not need to sell a bike to buy a bike.

It is an excellent way to sell your current bike before upgrading to a new one or to find a great deal on a 'new to you' ride at the sale.

In addition to the used bike sale, we will also feature great prices on new in-store merchandise as well as 'swap specials'.

What you need to know about the Totally Spoke'd Bike Swap:

FOR SELLERS

Keep in mind that we represent the potential buyers of your bicycle and act on their behalf. To that end we have some guidelines that will ensure a positive experience for both sellers & buyers.

BEFORE THE SWAP

Bring your bike in during the collection period before the event (Sat. March 19th – Thurs. March 31st) to register & have our staff look over the bike with you. Registration is FREE.

Your bike must be in rideable condition & have a legible serial number on the frame to be put in the sale.

We reserve the right to refuse any bicycle without explanation.

Have a price in mind that you want to sell your bike for. In the end, what it's worth is up to you.

If your bike sells, you will receive payment in the form of a gift card worth 95% of the selling price you put on your bike.

Once your bike is dropped off it is in our possession until the day after the sale.

DURING THE SWAP

Your bike will be displayed at the price that you have set.

There will be no negotiating or haggling.

You may NOT come and try to sell your bike yourself. You may however hang a sign on your bike listing component upgrades, features, etc. but it can not contain 'contact info' in the description or 'OBO' following the price.

AFTER THE SWAP

Store Credits will be ready for pickup on Sunday April 10th

Any unsold bicycles still left after the event must be picked up the following day. After that they will be subject to a storage fee of \$10/day for up to one week after which time the bike will be donated to a charity as we see fit.
