* Top five features are repeated in bold under each category

SEWING FEATURES

The Original IDT™ System. Integrated Dual Feed only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.

Easy select™ system. Quickly choose a stitch with the press of a button. You can even combine them for more variety.

Integrated Needle Threader. Makes threading the needle fast and easy.

Electronic Needle Piercing power. Gives stitch by stitch control and full piercing power at any speed.

Variety of stitches. 40 stitches including utility stitches, button-holes, stretch stitches and decorative stitches.

Swing away accessory tray with insert. Keep all your accessories in order.

Free-motion Sewing. For all your stippling, free-motion embroidery and darning needs. Simply put the presser foot lift in the free-motion position and sew with any stitch.

Accessory Feet Included. 8 different presser feet for all your basic needs.

High Presser Foot Clearance. Extra presser foot lift for easier handling of multiple layers of thick or bulky fabrics.

MACHINE FEATURES

LED lights. Long lasting light source that illuminates your sewing projects with a crisp light.

Adjustable needle positions. – For exact placement of your straight stitch.

Bobbin Winding. No need to unthread your PFAFF® select™ sewing machine, you can wind bobbins directly from the needle. Winding stops automatically when your bobbin is full.

Hard Cover. Protects your sewing machine when transporting it; keeps it dust free.

Stitch width. Variable stitch width. Great for decorative techniques like appliqué or tapering.

Sew Slow. Set your desired speed for more control when stitching. Choose full speed or half speed with the slider on the foot pedal.

Extra slender free arm. The needle is close to the edge of the free arm for greater control when sewing. The slim design is perfect for sewing cuffs, necklines, hemming pants and more.

Snap-on/Snap-off Feet. To change the presser foot, just snap it off and snap the new one on. No screws or other tools are needed. It is so easy to work with the PFAFF® select™ sewing machine.

Snap-on Stitch Plate. Change the stitch plate quickly and easily.

Two spool pins. The main spool pin tilts up easily so that you can slide on your thread. The extra spool pin is available for twin needle sewing.

Easy access thread cutter. The thread cutter is placed on the side of your PFAFF® select™ sewing machine to easily cut threads.
