Computerized Sewing Machine

What Quilt Dreams Are Made Of

FEATURES AND BENEFITS

Top Features

Sewing Projection

See your stitches on the fabric before sewing for perfect placement, or project lines and grids to easily align stitching.

Quilting Accessories Included

Level-up your quilting with accessories carefully designed for this purpose and for your machine. Included with your machine are the following accessories:

- Extension Table
- Free-Motion Ruler Foot
- Quilting Kit (Includes: Rotating Self-Healing Cutting Mat, Rotary Cutting Tool and Replacement Blades, Ruler Set and Needles)
- Quilt Binder and Presser Foot

Large Working Area

More than 12" (310 mm) to the right of the needle and a working area height over 5.5" (140 mm) gives plenty of room for large, bulky projects.

Exceptional Fabric Feeding with Integrated Dual-Feed Technology

Integrated Dual-Feed technology combined with front feed teeth provides exceptional fabric feeding.

STITCH CREATOR™

Create from scratch or edit a built-in stitch up to 9 mm wide for unlimited creativity.

Exclusive Stitch Techniques

Customize any project with a variety of stitch techniques that give your project dimensional elements that are effortless and irresistible: Guided Pictogram Stitches, Floating Stitches, Pop-Up Stitches, Sequin Stitches, Appliqué Stitches, Yarn Stitches, Theme Stitches and Motif-Builder Stitches.

Extra-Large Touch Screen

Easily see and navigate with a large 10.1" color capacitive touch screen.

Top Features

JoyOS ADVISOR™

The JoyOS ADVISOR feature offers guidance and support right at your fingertips. Select your fabric type and choose from a wide selection of available sewing techniques. The JoyOS ADVISOR feature will instantly set the best stitch width, stitch length, thread tension/portioning, and presser-foot pressure for the technique you have chosen.

- **Interactive Tutorials**

Learn how to sew different techniques like zippers, collars, hems etc.

- **Sewing Instructions**

Sewing projects with all the necessary instructions built in.

- **Step-By-Step Workbook**

Learn the amazing features of the machine, like Create Sequence.

- **Easy-Access User's Guide**

Get access to the full User's Guide directly on the machine with the easy-access icon. Use the search function to effortlessly find the topics you want to learn more about.

- **Stabilizer Guide**

The perfect tool when choosing the right stabilizer for your project.

- **Quick-Start Guide**

Learn how to set up your machine to get stitching sooner.

- **Accessory Guide**

Full set-up and instructions for some of our more advanced accessories.

- **Needle Guide**

Learn more about what each needle is best for so you can choose the perfect needle for your project, for better stitch results and fewer broken needles.

Artificial Intelligence Technology

Attach any included presser foot and the machine will inform you if the foot is compatible with your stitch selection. It will show you if the foot is attached incorrectly to make sure you are using the best foot in the best way for your projects.

mySewnet™ Enabled

Get creative with seamless cloud-based navigation between your machine screen, laptop and mobile.

- **mySewnet Blog**

Access a live feed directly on your screen of news, free projects, and more.

- **mySewnet App**

Download the free app that connects your phone to your machine to get tutorials, and more.

- **mySewnet Cloud**

Access the cloud folder with free 100 MB storage for all files saved in one place, directly from the machine screen.

- **mySewnet Project Reader**

View your projects on the machine screen and load stitches directly from the instruction.

Sewing

deLuxe™ Stitch System

Spend less time adjusting your stitch and more time stitching with high-quality results regardless of fabric and thread type.

EXCLUSIVE SENSOR SYSTEM™ Feature

Automatically and continuously senses and adjusts to any thickness of fabric for perfect, even feeding as you sew.

- **Sensor Foot Lift**

- Presser foot lowers and raises automatically for every sewing technique.
- Four positions: down, pivot, up and extra lift.
- Automatically lowers feed teeth on extra lift for maximum space to slide thick fabrics and quilts under the foot easily.

- **Sensor Foot Pivot**

- Automatic float position with needle down for instant pivoting, easy appliqué and quilting.
- Your hands are free to guide the fabric.

- **Sensor Foot Pressure**

- The presser foot continuously senses the thickness of the fabric and automatically adjusts the presser-foot pressure for even feeding on all fabric types.

Tapering on Decorative Stitches

Effortlessly taper your stitch at the beginning and/or at the end of any stitch up to 9 mm wide.

Extensive Selection of Built-In Stitches

Choose from a variety of over 890 stitches for basic sewing, decorative sewing and more.

Free-Motion Settings

Get the best free-motion results based on the foot you prefer, and use any stitch for unique textures.

Stitch Positioning

Position a stitch to easily align it.

37 Needle Positions

Sew a straight stitch in 37 different needle positions for ideally placed stitching.

Stitch Repeat

Let the machine help you get the perfect length or the perfect number of stitches so you don't have to think about it.

Stitch Balance

Automatically sets the ideal feed balance when stitching forward and backward, so your decorative stitching looks stunning every time.

Perfectly Balanced Buttonholes

Sew professional-looking buttonholes in one easy step.

Sewing Functions

Save time with all your necessary functions like start/stop, reverse and more - at your command with the touch of a button - or program them for your needs.

Stitch Density

For the desired fullness, density can be increased or decreased without affecting stitch length.

Mirror Image of Stitches

Flip the stitch side to side or top to bottom for more decorative possibilities.

Stitch-Width Safety

Limit stitch width to avoid needle breakage.

Twin-Needle Program

Enter twin-needle size to automatically limit the stitch width. You can even preview what the twin-needle stitch will look like on the screen.

Stitch Restart

Easily return to the beginning of a stitch or sequence.

Visit mysewnet.com/studio for tips and hints on how to make this quilt!

Machine

Needle Piercing Power

Electronic needle piercing power (150 N) provides superior results when using heavy fabrics or multiple layers.

Machine Set-Up Wizard

The Machine Set-Up Wizard will show you step by step how to set up your machine, making it quick and easy the first time you sew.

Straight-Stitch Plate and Sensor

Get a better experience sewing and prevent needle breakage.

Bright Work Light

Bright light shows true colors and eliminates shadows for a clear view of your project.

Stability

Sew with less vibrations for a steady and quiet sewing experience.

Quick Help

Quickly see a description of anything on screen.

Large Thread Spool Capability

Built-in telescopic thread stand allows you to use larger thread spools without the bulk of additional accessories.

Large Bobbin

Sew for longer periods without interruption.

Fully Automatic Needle Threader

With one touch of a button your needle is threaded and ready to sew.

Save Current State

Return to your exact stitch anytime with Smart Save.

Personalized On-Screen Experience

Feel right at home at your machine. Personalize your on-screen experience by naming your machine or changing the color theme of your screen to have it reflect your personal style or preference.

Accessory Tray with Customized Compartments

Easily organize and store your included accessories.

Two USB Ports

Two USB ports allow for smooth updates, and for use with the optional Multi-Function Foot Control.

Inch/cm Ruler On Base Plate

Inch/cm ruler on base plate so you can measure right at your machine at all times

Designed and Engineered in Sweden

HUSQVARNA® VIKING® brand has developed superior quality sewing machines with cutting-edge technology for over 150 years.

Top & Bobbin Thread Sensors

Alerts you when the bobbin or needle thread is low or breaks.

Jam-Proof Rotary Hook

Jam-proof rotary hook keeps threads from getting caught in the bobbin area.

Automatic Presser-Foot Lift

Raises the presser foot instantly.

Multiple Languages

Choose from different languages in the settings menu.

Updatable

Free and easy software updates so you always have the best version of your machine.
