Bolt estimates are based on a standard 15 yard bolt. Estimates with an asterisk (*) will require exactly 15 yards or an exact multiple of 15 yards. In these instances, you may wish to order an extra bolt. Estimates also assume that each kit will have only one cut of each fabric. It may be possible to use fewer bolts of some fabrics if you don't mind having two cuts of one fabric in a single kit.

While every effort is made to provide accurate yardage requirements, please refer to pattern when cutting kits.
