

## Giant Revolt E+ Pro - \$4200

Frame: Light and Durable ALUXX SL aluminum frame

Tires: Giant Crosscut 700x 45c, Tubeless ready

Battery: EnergyPak Smart 375wH

Motor: Yamaha Syncdrive Pro motor 80Nm, up to 360%

Brakes: Shimano GRX hydraulic

Shifting: 1x11 speed Shimano GRX drivetrain

The Revolt is a smooth riding machine made for long rides out in the woods. The Giant D-Fuse seatpost helps smooth out any bumps on your path with its proprietary D shape. The optional EnergyPak Plus range Extender helps to increase range even further for those rides where you need a bit more assist on the extra long rides.

-Wirelessly connect with the Giant E-bike App so your smart phone can function as a display for ride data and system updates
