Taste the Flavors of Fall!

How does Autumn speak to you? Does it say football, cozy sweaters, beautiful foliage or Plymouth Bay Winery? We hope it says PBW! :)

As our new Fall season is upon us, we have trotted out some of our season's finest! Our Apple Bay wine has hit our shelves as well our seasonal wine jellies and sauces: Pumpkin Chunkin', Triple Lindy, First Thanksgiving and Thanksgiving In A Jar!

This bountiful harvest has also brought forth another new wine which we dubbed Golden Voyage! It is our first true *dry* white wine made from the

Itasca grape. It has glorious notes of honey and lemon and a beautiful golden color - just in time for Fall! It is a real hit with fish and charcuterie boards!

Due to popular demand, our Knotty Pilgrim is back for a limited time (a delicious blend of Blackberry and Apricot fermented together). Don't get "tied-up" and walk - no *run* - to see us or order online before it runs out!

We are down to the last few cases of Pilgrims' Destiny (Cranberry Bay aged 9 months in a gin barrel) and Pilgrims' Frontier (Cranberry Bay aged 9 months in a cherry brandy barrel) so maybe take the car instead of running to load up! (We don't know about you but we're exhausted! lol!).

We are thrilled that social events are happening again! Congrats and Best Wishes to the Newlyweds in our extended PBW Family!

In a holiday shopping mood? (who isn't? wink! wink!) - we have some fun new merch which we think you will enjoy! Also available is our wonderful line of organic flavored olive oils (Habanero, Shallot, Italian Herb, Rosemary) and balsamic (Cranberry Reserve, Lemongrass, Autumn Spice, Dark Chocolate, Honey Ginger). They make great stocking stuffers for that finicky food lover you know and love! Santa is smiling already as we have just made his/her job much easier! :)

Finally, we have done our best to freeze prices through the pandemic. Unfortunately, we too are feeling the cost increases of virtually everything we need to produce wine. Additionally, this year’s weather has produced smaller blackberry and raspberry harvests, and with increased demand, it also increased our prices. After much consideration, the following price adjustments will be effective January 1, 2022. Blackberry Bay and Raspberry Bay prices will increase with next release.

Next time you stop in, please check out our new snacks and “Baytails” (including our “Herd of Mules”)! Until then, we want to thank you for your kind support and patronage!

With love,
