

Wholesale & Custom Order Inquiry Form

Thank you for your interest in placing a wholesale or custom order with us. All Medalta Pottery is made in-house by our skilled production team. The clay is mined in the same region as the historic Medalta mines and the production process utilizes the original plaster molds left behind after the factory closed its doors. The Medalta factory opened in 1912 and was one of Western Canada's most important factories of the time.

Please answer the following questions in an email, word document, or PDF. Do not send pages files. Once we review your request, a sales representative will be in touch to discuss your order. Please send your completed checklist to sales@medalta.org.

Customer Profile:

- Your Name/Business Name
