

## Two Rock Wine Club

### The Deal:

- Our focus (as always) will be on small family owned, organic, biodynamic, and hard to find wines. We search for wines with a sense of place in order to bring you a story from another part of the World
- We want you to try new things! Our wine selection will constantly change and we will buy wine specifically and often exclusively for the wine club.
- You will receive between one and four bottles per month. Some months we will pick something very special for you, such as grower Champagne, a bottle of expensive white Burgundy, or our latest find from California. Other months we will push the price to quality ratio and deliver four bottles of top rated wines from lesser-known appellations.
- Choose a \$25 add-on option where in addition to the wines selected you will receive dry goods from our market section. These items include: olive oils, mustards, rubs, chocolates, and more!
- You will receive your wines the last week of every month. You can choose between home/office deliveries or pick up from our Harvey Road warehouse.
- The club is month to month. You can cancel at anytime.
- Purchase this as a gift for yourself or a gift for someone else.

### The Perks:

- Getting out of your comfort zone and trying something new!
- The value of your wine and dry goods will always exceed the value of their wholesale price, giving you access to the best value wines on the Island.
- At the end of every year we will randomly chose one member for a wine tasting at the TRW Warehouse for up to 8 people. You'll be eligible if you participated in the Wine Club for a minimum of three months of the year.
