PATENT #: 9,856,085

# The DESLAURIERS MINI HOPPER

- The Deslauriers Mini Hopper attaches to the end of a ready mix chute to distribute concrete easily and accurately.
- Supplied with a 6 ft. long 8" diameter elephant trunk.
- A seamless one piece design with an intergrated flange makes it easy to attach the trunk using a stainless steel tremie clamp (included).
- Sturdy, lightweight and molded from high density polyethylene.
- Equipped with sturdy chains for hanging in place.
