Want to learn more about Fair Isle knitting from Cait, our resident Fair Isle knitting expert? Join us on Zoom for this virtual knitting group! Each session will be a welcoming and casual space to ask questions, show off what you've knit, and chat with fellow knitters. There will also be the occasional special guest, which will allow you to hear from Fair Isle knitting experts from around the world! Any level of knitter can join, so be prepared to be inspired and make some new virtual friends. Participants are also added to Cait's monthly Fair Isle newsletter, which contains special discounts and exclusive offers.

Zoom meeting information will be sent out via email approximately one week prior to the first meeting.
