

Prerequisite Skills:
knit, purl, casting on,

Skills Learned:
bottom up sweater structure, afterthought
pockets, cabling, chart reading, back loop cast on,
3 needle bind off

CABLES

Very Braidy Cowl

by Maryse Roudier

This beginner project will teach you the basics of knitting cables as well as how to work with a provisional cast-on (don't worry if you don't know what that is!). This wide-cable, snug cowl will keep you warm all winter. All you need is the ability to knit/purl, and interest in taking on a new challenge.

Class Dates:

Wednesday September 8, 22
5p-7p

Teacher: Shawn

Cost: \$40 + supplies

Supplies:

Cable needle, F, G or H crochet hook, scrap yarn, tapestry needle, scissors

Yarn: 200 yards of worsted weight yarn

Needle: US 8 24" Needle

Gauge: 4 stitches = 1 inch

Pattern: Very Braidy Cowl by Maryse Roudier
