

# Upholstery

There are 3 options for upholstery at GUBI.

## 1. RECOMMENDED BY GUBI ASSORTMENT

These are fabrics and leathers from our preferred suppliers that GUBI has selected and recommends for use on our upholstery collections. We kindly ask our Partners to use these fabrics where possible.

## 2. GUBI PREFERRED UPHOLSTERY SUPPLIERS

These are fabric and leather suppliers GUBI works with already. Should you wish to use a fabric or leather from one of these suppliers, GUBI will order this and provide pricing. Fabrics and leathers from these suppliers have not necessarily been tested on our products and so they must be approved by GUBI before proceeding.

## 3. COM / COL

COM / COL is available for fabrics and leathers from suppliers not listed as a GUBI preferred supplier. These must be approved by GUBI before proceeding.

COM is Price Group 2

COL is Price Group 3

## PIPING

*Note: For the Bat and Beetle collection, standard piping is GUBI Basic black leather, GUBI Basic brandy leather or matching fabric. If another fabric is chosen for piping, the price increases by one price group.*

## FIRE RETARDANCY USA

Technical Bulletin 117 – 2013 (CAL 117)

Explanation of options:

Yes	The fabric meets the relevant test. There is no additional cost
