PowerGrit[®] PIPE CUTTING CHAIN

PowerGrit[®] XL PIPE CUTTING CHAIN

Utilized by public and private water and wastewater departments worldwide, this patented technology exclusively from ICS is designed to cut a variety of materials from ductile iron to plastic pipe. Featuring a brazed layer diamond coating on our FORCE4 platform, this chain makes your job safer, faster and easier.

PowerGrit		Designed to cut ductile iron, cast iron and more
PowerGrit XL		Specifically designed to cut high-density polyethylene (HDPE)

*Asbestos is a hazardous material, known to cause serious respiratory diseases. Cutting into asbestos can release asbestos fibers into the air. Always research and follow the correct safety procedures, including applicable national and state or provisional occupational health and safety regulations, and protect yourself and those around you from asbestos-related disease. Always arrange for the material to be removed safely by a qualified person. ICS is not responsible for exposure to asbestos caused by use of this product.
