DESIGNING CONTAINERS

A helpful formula for designing beautiful containers is: "Thriller, Filler and Spiller"

The THRILLER is the focal point, the striking, vertical element of the design.

FILLERS are the mid-sized plants, usually mounding or rounded. Plant these around the THRILLER.

SPILLERS are trailing plants that spill over the sides of the container.

GUIDELINES FOR CONTAINER SIZES. (You can place plants very close together!)

10-12" Pot - 1 thriller and 3-4 annuals

14-16" Pot - 1 thriller and 5-6 annuals

18-20" Pot - 1 thriller and 6-8 annuals

We have listed general colors for you to choose from. However, if there is another color that you would like to purchase, please type it in the order form.

**** This order sheet lists many of the SUN THRILLERS, FILLERS AND SPILLERS we have to offer. Not all varieties are in stock every day. If we are unable to complete your order due to unavailability, we will contact you. Please submit a new order at a later time for any items out of stock.**
