the livelihoods of artisans

Villages Port Colborne has been supporting Fair Trade since 1984. We are a non-profit store that is largely volunteer-run.

As a business located in Ontario's first Fair Trade town, we are proud to be a part of a local community who support the livelihoods of producers from developing communities by providing ethically sourced products and their stories.

Jamtown

Source Regions: Oceania/Pacific Islands, South America, South Asia, and Sub-Saharan Africa

Founder Jamtown John served on the Board of the Fair Trade Federation for 3 years.

What began as a passion for adventure travel and music has blossomed into a Fair Trade business specializing in beautiful rhythm & wind instruments sourced from amazing places around the world.

Jamtown celebrates the love for music shared by all cultures. It brings a keen eye towards quality and durability for small percussion and full sized hand drums. And it offers story-telling hangtags, multicultural packs and beginner-friendly products

After 20 years, Jam Town's respect and understanding of other cultures continues to grow more deeply. It works directly with artisans, cooperatives and Non-Governmental Organizations (NGO's) in six countries on three continents.

Sales of these instruments provide critical support to low-income families via fair wages, order prepayment, marketing and other assistance. With your help, the partners & their families are closer to achieving their dreams!
