Friendship Organics

Villages Port Colborne has been supporting Fair Trade since 1984. We are a non-profit store that is largely volunteer-run.

As a business located in Ontario's first Fair Trade town, we are proud to be a part of a local community who support the livelihoods of producers from developing communities by providing ethically sourced products and their stories.

Truly finest tasting teas available, we source from all over the world, each blend of tea has a unique story of its own.

Our secret is simple, we use the best tasting ingredients, and they do not use any artificial flavourings or preservatives. We incorporate the mindset of conscious consumption at every stage of our work and are constantly in period of discovery, exploring endless combinations and beneficial ingredients in our tea.

These high quality Fair Trade products create economic opportunities for our small-scale artisans groups and their families.
