Nestled in the vibrant neighbourhood of Bowness, Brewsmith is all about brewing exceptional beers that bring people together. Their Head Brewer, Colin James, made his mark in Calgary, when he worked with The Dandy Brewing Company. Now, he's certainly excited to share his own project, built on passion. His 'Signature Pub Ale' is a delightful introduction, exhibiting a mingle of dark fruits, nutty malt and roasted caramel.

Backcountry Still Got The Old Tagger On It
British Columbia
Style: West Coast IPA
473ml

The team behind Backcountry Brewing joined forces in 2015, when they realized they each had a different piece of the puzzle to opening a new brewery. Located in Squamish, they have found a nice groove in BC's craft beer scene. This West Coast IPA was brewed with aggressive doses of Idaho 7 and El Dorado Hops. It showcases a fusion of exotic fruit, watermelon jolly rancher and pine with a hint of creamy malt.

The Establishment Trippin' The Life Fantastic
Alberta
Style: Imperial Hazy IPA
473ml

The Establishment is a brewery and taproom located in Calgary's growing Barley Belt brewing district. The team behind this brewery has always had a great passion for beer, so we're always on high alert for every release. 'Trippin' The Life Fantastic' is a juicy IPA, with a kick of booze. At 8.2% abv, it's a little dangerous because it's so fluffy, like a perfectly succulent cloud, ready to sweep you off of your feet.

Keeping it interesting for you in November, is a collaboration between The Establishment Brewing from Calgary and Burdock Brewing from Toronto. This latest offering is their version of a Vienna Lager, which pays tribute to the original Vienna ale that hails from Austria. It's a malty lager, reminding us that clean and crisp is always a great option. You'll taste a mix of cereal grains, citrus and grape with a hint of caramel malt.
