Small Gods
British Columbia
Style: Cold IPA
473ml

Small Gods is a family owned-and-operated brewery, designed to fit into the community of Sidney by the Sea. Sidney is a tiny seaside village, beside the Swartz Bay ferry. This beer called 'Slow Fade', is unbound by the rules of ordinary IPAs. It's classified as a Cold IPA, which means it's cold-filtered and lagered, for a lovely twist on a classic. It's crisp and bright, offering a mix of green apple and citrus, with a hint of piney resin.

Bellwoods Pig
Ontario
Style: West Coast IPA
473ml

Mike Clark and Luke Pestl spent several years brewing in the Toronto beer industry before branching out to open their own place. This all came together in April 2012, with Bellwoods opening as a small brewery and pub in downtown Toronto. This West Coast IPA is true to form, blending Simcoe, Centennial, Cascade and Columbus hops. You'll taste a fusion of juicy tropical fruits with a pleasantly bitter backbone. Yum!

Backcountry If You Ain't Given'r You Ain't Liven'r
British Columbia
Style: Pilsner
473ml

The team behind Backcountry Brewing joined forces in 2015, when they realized they each had a different piece of the puzzle to opening a new brewery. Located in Squamish, they have found a nice groove in BC's craft beer scene. 'If You Ain't Given'r You Ain't Liven'r', is brewed in collaboration with Terry Cahill, from the mockumentary comedy film *'FUBAR'*. Like Terry, this Pilsner doesn't overcomplicate things.
