Notes

The garter edge seems to be offset, but in reality the way that the k1fbs line up at the ends of each row will make for even 3- stitch edges. All stitches are slipped with the yarn on the WS of the work.

Pattern

With MC, cast on 3 sts using the long tail method. Knit 21 rows. Without turning, rotate work 90 degrees clockwise and pick up 10 garter bumps along the side edge. Rotate 90 degrees clockwise once more and pick up the three cast on stitches. Knit 1 WS row (16 sts).

Row 2: knit all stitches.

Repeat these two rows until you have 160 stitches. Don't cut MC. Now you will begin the clouds pattern.
