## T75 TREADMILL AC MOTOR

Our industrial-grade 3.0 HP continuous-duty AC motor provides efficient, durable, responsive performance — minimal internal components require little maintenance, and an absence of internal friction keeps the motor cool and quiet.

## JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Our exclusive Ultimate Deck™ System includes a heavy-duty frame, extra-thick deck and industrial-grade cushions for miles of durable performance.

The Johnson Drive™ System helps you stay in perfect rhythm with a quiet, durable, responsive continuous-duty drive system that recalibrates with each footfall.

## console apps

Availability of apps are subject to change. Some apps are not available in all areas. Additional apps may become available. Workouts and features vary based on model type, console configurations, software versions and options purchased.

\* Available on XUR and XIR only.

Our integrated ViaFit™ connectivity system sends workout data to the fitness apps you already use, like Apple Health, Garmin, Strava and more.

This scientifically validated high-intensity interval training program burns fat and builds muscle in short workouts that anyone can fit into their schedule.

Experience an immersive workout with high-definition destination footage synced to the speed of your workout. Includes two Virtual Active courses.

Matrix featuring iFit syncs your equipment to interactive studio classes, Global Workouts, Google Maps Street View and over 16,000 workouts led by inspiring trainers. One-year membership included with Matrix equipment purchase.
