

2010 Back 40 Race Results

The 2010 Back 40 Race is in the books. A perfect day weather wise, around 25C. with a refreshing breeze from the northwest. Course conditions improved tremendously in the week/days preceding the event and race day was blessed with fast tacky singletrack with a few wet areas thrown in to keep the riders honest. A HUGE thanks to all the people/businesses and volunteers who donated generously of their time and money. Special thanks goes out to: The town of Morden, P & P Auto Service, The Morden Vet Clinic, Morden Co-Op Store, Stans No-Tubes, Tinker Creek Cycle, and all the volunteers who worked so tirelessly on getting the course to the fantastic shape that the riders enjoyed on race day, the event could not happen without all of you.
