STANDARD LINED STIRRUP LEATHERS

The Butet range's best seller, these classic calf-lined stirrup leathers have a nylon inner strap that prevents the leather from loosening. Seams are finished in saddle stitch. A true guarantee of resistance and comfort.

BREASTPLATE

Padded, grained leather breastplate to hold the saddle in place. The special hunting breastplate shape frees up the shoulders and ensures the horse's freedom of movement. The girth strap fastening system prevents friction on the horse's shoulders. Adjustable bridge allowing a perfect fit to the morphology of the horse. Made up of a removable martingale with two rings.
