

# Changes to Bulleen Road

Fact Sheet  
October 2023

Artist impression: Aerial view of the new Bulleen Road, late 2023

## We're building a new Bulleen Road to create the space needed to build the new Yarra Link Green Bridge and North East Link tunnel entrance.

From 8pm on Friday 24 November until 7pm on Tuesday 5 December, lanes in both directions along Bulleen Road will be closed.

Access to local schools, clubs and sporting grounds will remain open as we complete these works.

During these works, there will be some lane closures along the existing Bulleen Road and detours in place to keep you moving.

From late-2023, we'll move traffic onto the new Bulleen Road lanes.

## Why are these changes necessary?

By building the new Bulleen Road now, we'll ensure the road stays open as tunnelling works progress. This will help road users plan their journeys ahead of time and reduce disruptions.

## Will Bulleen Road lanes move again after tunneling is complete?

Once these works are complete in late 2023, the new lanes will remain in place until 2026. As the project nears completion, there will be additional works on Bulleen Road.

## Will there be any direct impacts to the Bulleen Road traders during these works?

Protecting and maintaining the business of the Bulleen Road traders is a priority for the project. Although customers and people travelling

through the area may experience some intermittent delays, the local shops will remain supported and open.

## How will I access where I need to go on Bulleen Road while construction on the new Bulleen Road lanes is taking place?

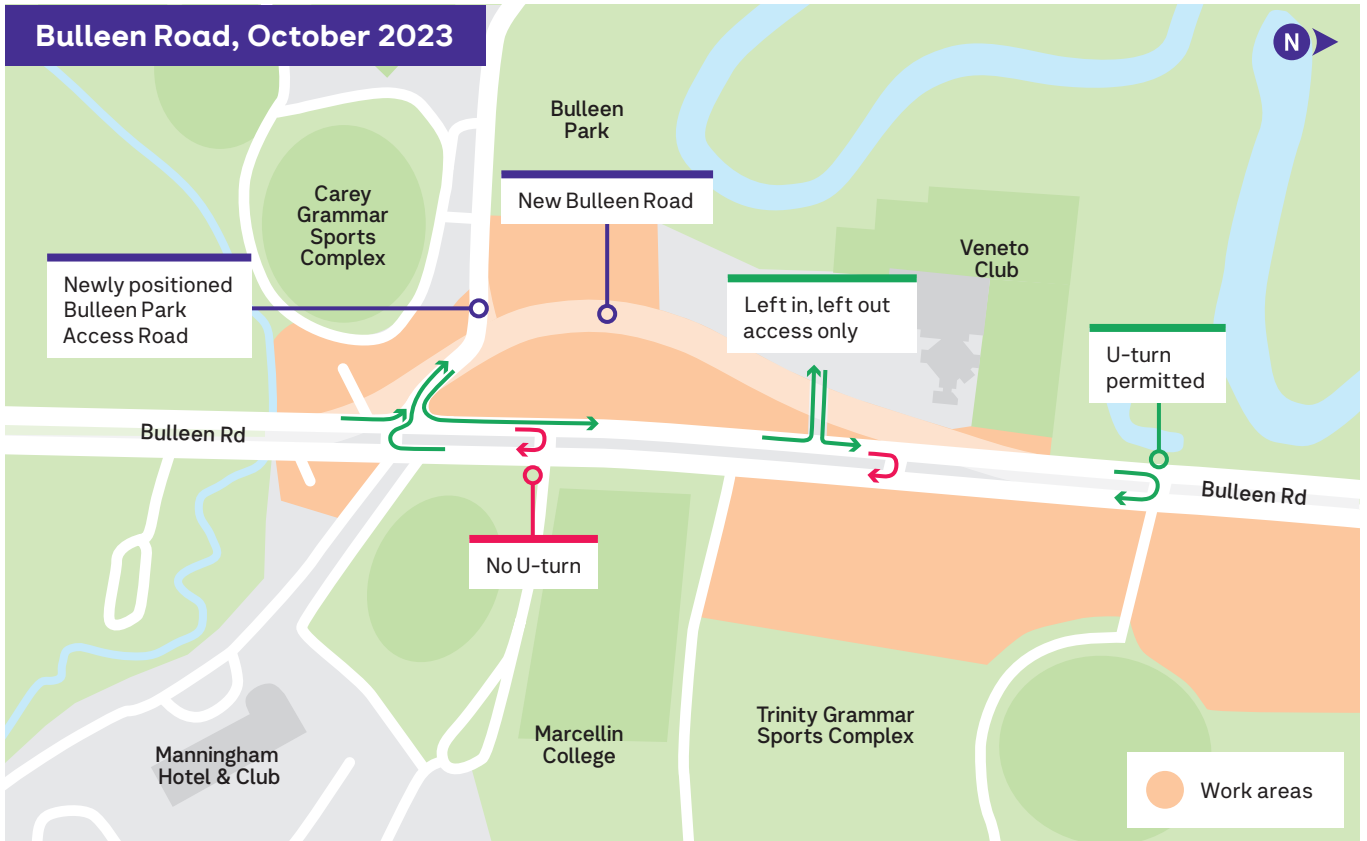

Bulleen Park users, Carey Bulleen Sports Complex, Marcellin College and Veneto Club patrons will have access via the South (Eastern Freeway, Thompsons Road), while Trinity Grammar Sports Complex patrons will have access via the north end of Bulleen Road. A detour via Thompsons Road and Manningham Road will be in place for those who need to travel north or south through the area during this works period.

During this time there will be bus delays around the network. Passengers should check the PTV app for live updates.
