Thank you for your interest in consigning craft supplies with Creative Haven YXE. Please read the following carefully before signing.

First of all, let's cover items we will accept: Any art and craft supplies in good to excellent condition. Unopened, like new, or very gently used. No opened bottles/jars of liquids (paints etc) are permitted. Opened packages of paper, stickers, and embellishments are not permitted.

Examples are beads, books, florals, canvases, stamps, tools (non-electric), yarn that is still in the original wrappers, scrapbook supplies etc.

If you see it in the craft chain stores, we will be happy to take a look. We will be grouping supplies together by type, so your items are likely to be mixed with other items. This section will be arranged more like a regular craft store is arranged to make it easier for shoppers to find exactly what they are looking for and for us to stay the best organized.

Consignment Rates

Supplies are sold on consignment basis at a rate of 50/50. You will receive 50 percent of the sales price and the store will receive 50 percent. This rate is not negotiable.

Acceptance of Items

Our intake day is anytime during regular business hours. Items taken in and inspected on Friday will be available on the floor by the following Tuesday.

Due to Covid regulations all items received that cannot be sanitized must be left in a separate container for 72 hours. After the 72 hours items will be sorted, priced and placed on the floor.

Tracking Sales

You will receive a vendor number that *must be put on every item along with clearly marked price*. We reserve the right to inform our consignors if their prices are too high and ask them to adjust or remove their items.

- Any liquid items (paints, adhesives etc) are to be *unopened only*. We cannot accept opened liquid items.
- Other items like tools must be gently used only and in good working order.
- Fabrics are accepted only if they are clean (no stains) and free from odor, pet hair, etc. We will not accept ANY items that are in any way soiled or smell of smoke, mildew, etc.

Payments to Consignors

Consignment fees are paid upon request and only after your account has reached \$10.00+. You may contact Creative Haven YXE during business hours to check the status of your account. You can make arrangement at anytime for payment once your account has reached \$10.00+.

We will not mail payments. You will need to come in to pick up your payment.

Sales & Promotions:

We periodically run promotions where we may offer a "percent off" for the day and things of this nature. You agree that your items will be subject to those prices during special events. (Our most common is 10% off of a purchase of 25 or more for one day only) We don't run more than one per month on any of these promotions.

If you choose to mark down your own items you must REPLACE the tag. To protect our consignors from potential theft/fraud, we do not allow price tags to be marked through.

To remain consistent in pricing and value Creative Haven YXE will have the final decision on pricing.

Remember people are not going to pay full price for something gently used - they will go elsewhere and purchase new. We reserve the right to inform our consignors if their prices are too high and ask them to adjust or remove their items.

Creative Haven YXE makes every effort to prevent loss, but we are not responsible for lost or broken items. You agree that Creative Haven YXE is not liable for any loss incurred by the placement of your items in this shop. You assume all liability for your own items.
