

Rick Hetzel, CSW Wine Advisor

Longridge Blanc de Blanc MCC A lingering and vibrant sparkling brings to the surface flavors and aromas of lime leaf, brioche, and roasted almonds, with hints of caramelized green apple, citrus and ripe strawberry. The elegant mouth feel ends off with a fine and fresh minerality.

Nice Wines Say Less Chenin Blanc Crafted exclusively from 100% Chenin Blanc grapes, this wine embodies the vibrant and diverse terroir of the region. The grapes are sourced from sustainably managed vineyards. Say Less Chenin Blanc offers a crisp and clean taste profile, with bright notes of citrus and tropical fruits; the palate is well-balanced.

Benguela Cove Moody Lagoon The balance of dark fruit and wild cherries in this blend will mold this wine into an array of dishes. Mulberry and blueberry are embraced with notes of cedar, both dried herbs like coriander seeds, and the smell of crushing fresh herbs in your hand, leaving faint hints of rosemary behind

Jasper Raats Raincatcher Red An elegant wine that displays juicy and supple styling with an impressively stern backbone. Ripe plum fruit on the nose which follows beautifully onto the palate coupled with the deep red berries, especially the blackcurrant character of cassis. Lengthy finish with smooth tannins.

Kumusha Hurudza Cabernet Sauvignon A well structured Cabernet Sauvignon heavy red blend, the wine has distinct notes of blackcurrant and plum, followed by herbaceous notes and bell pepper. Fine grained tannins are underpinned with vibrant acidity and a smooth finish. Fantastic now, the wine will reach new heights with a few years of cellaring.
