### Monsieur Touton Sauvignon Blanc Bordeaux

Monsieur Touton Sauvignon Blanc possesses just the right amount of zesty Sauvignon Blanc flavors that let you know that it's distinctively French, but the acidity that it delivers really pops nicely for a white Bordeaux without the pucker up style of a New Zealand Sauvignon Blanc.

*Made from 100% Sauvignon Blanc (no Semillon), crisp, vibrant and fresh.*

### Mi Mi en Provence Côtes de Provence France

Mi Mi en Provence Rosé has a pale pink color with melon reflections. On the nose, floral, powdery notes with fruity aromas of yellow fleshed fruit. The palate is elegant with a nice tangy freshness. Nice length at the end.

### Domaine de Saint Siffrein Chateauneuf du Pape Red

A beautiful deep ruby red color. Complex of black fruits with hints of garrigue. On the palate; fleshy and complex with a beautiful structure with melted tannins that coat the mid-palate. The finish is long with aromas of black fruits. Harmonious and elegant wine with soft tannins, true to its terroir.

*Grenache, Syrah, Mourvedre, Cinsault. Matured for 1 year in large oak vats.*

### Collezione Collesano Famiglia Castellani Sangiovese

Straightforward and approachable character. The finish is smooth, with the red fruit nuances lingering gently. This is a nice, unusually earthy Sangiovese. It has a nice cherry background along with that wonderful touch of tartness. **Great Value!**

### Marziano Abbona Papa Celso Dogliani Dolcetto

Rich and well-structured with aromas of red and black fruits, this is a balanced and harmonious wine on the palate. The light acidity and subtle tannins have hints of pulpy fruit.

### 90 Pts Wine Spectator

*"This is lush and riddled with black cherry, blackberry, iron and tobacco flavors. Firms up, with dusty tannins lining the finish. Solidly built. Drink now through 2025".*
