Responsibly Farmed | Hidden Gems & Classic in Style | Natural Elegance & Charm of Sangiovese

Istine Chianti Classico 2022

\$34.99

Angela Fronti's wines have become insider favorites for their purity, elegance, and sense of place. This Chianti Classico delivers classic red cherry fruit, savory herbs, and mineral tension at a price far below her single-vineyard crus. It's a benchmark expression of high-altitude Chianti Classico and an outstanding value for Sangiovese lovers.

Corzano e Paterno Terre di Corzano Chianti 2023

\$22.99

90% Sangiovese | 10% Canaiolo

Bright and savory with just the right amount of structure to stand up to pasta al ragu or grilled lamb, yet refined enough to sip on its own.

Organic farming practices, hand-harvested, native yeast fermentation and less than 2,666 cases produced annually.

Montenidoli Chianti Colli Senesi Il Garrulo 2022

\$39.99

Sangiovese | Trebbiano | Canaiolo | Malvasia

Old World Tuscany made easy with red & white grapes

Brilliant ruby red with good transparency and shine, consistent with producer's style of concrete-vat vinification and bottle ageing. Medium-bodied weight, with red fruit aromas—sour cherry & bright red berry. Subtle herbaceous / herbal-garden character—noted of oregano, sage, tomato leaf. Gentle tannic grip. Fresh, relatively light and very food friendly— perfect for pizza and pasta night.

Monte Bernardi Retromarcia Chianti Classico 2022

\$29.99

100% Sangiovese

The name Retromarcia signifies "*a return to the natural elegance and charm of Sangiovese*". The Retromarcia comprised entirely of Sangiovese from Monte Bernardi's younger parcels planted to Galestro and sandstone. A nose of tight, red fruits that vibrate on a backbone of Sangiovese's trademark; mouth-puckering acidity. A new store favorite!

Monte Bernardi Sa'Etta Chianti Classico Riserva 2020

\$54.99

100% Sangiovese

Ruby red typical, elegant, fruity, blackberry, cherry, violet, mineral dry, warm, quite soft, tasty, fresh, slight tannic, intense, long finish.

It is very hard to give precise **borders** to the Chianti area in Tuscany. This is because the name of Chianti is traditionally referred to the area between Florence and Siena where Chianti **wine** has been produced and not a definite territorial area with boundaries. With time, the area where Chianti wine is produced has grown.
