Major Appliances

Camec has a long and proud tradition of supplying Major Appliances to the RV Industry and we back this up with an enormous stock holding of spare parts too – easily the largest range in the industry! – and we are not stopping there! We have introduced a number of brilliant Camec products recently – from our game changing Stainless Steel range hood, price breakthrough Front Loading Washing Machine and not forgetting our very popular Microwave oven. This range is set to keep growing in 2015 with more game-changing products!

We are also the proud Exclusive Australian Distributor of Italian Made Vitrifrigo refrigeration products. Vitrifrigo premium refrigeration products feature fridges of all sizes including drawer fridges with great options such as inbuilt ice makes to their newest range of wine coolers – all of which operate on 12 or 24 Volts.

Of course we also supply many other brands, such as Dometic, Air Command, Denso, Smev and Engel so we can cater for nearly any product you may need.
