RV Audio/Visual & Media Solutions

Camec continues to lead the industry with our innovative and quality range of Audio/Visual products. To underline our commitment in this area, we have developed a new range of specialised products for the RV Industry that we have named RV Media - by Camec to reinforce the fact that our range of products are specifically designed for the RV Industry and not just products that are “re-badged” as RV products. The continually expanding RV Media range offers the best quality and value for money in its class with specialised features and designs tailored for the RV Industry. From quality TV's to the Industry's first dedicated 12V Blu-ray player, to our Patented Bluetooth external speaker and LED internal & external speaker lights, there is no other range in the world that has as much innovation - yet at affordable prices. Not bad for a range of products designed in Australia by one of the industry's longest serving suppliers!

To compliment our Audio Visual range, Camec is also the Australian distributor of Jack antennas - one of the easiest RV Antennas to use in the world, plus we carry a full range of accessories to compliment any installation.

RV Media Premium RV TV's 19", 22", & 24" with DVD/USB & PVR

## Television

### RV Media LED High Definition 12/24/240V TV/DVD/USB/PVR (for use in Australia only)

LED High Definition TV's featuring an inbuilt DVD player and flexible 12V, 24V or 240V operation. Can be wall mounted or stand mounted for flexible use in or out of the RV. These TV's are designed for RV use and have added protection against Australia's environmental extremes such as humidity & salt air. This is backed up with a National 2-year Warranty.

#### USB PVR & MEDIA PLAYER

By connecting a portable USB thumb drive or hard drive to this TV, you can record shows on Digital TV (PVR function) plus pause & reply Live TV (Time Shift). The features don't stop there! You can also play Movies and TV Shows from USB (using popular formats eg AVI, MP4 etc) plus listen to your favourite MP3 or WMA music tracks: view Photos using the inbuilt photo viewer or even Text (.txt)

#### INBUILT DVD PLAYER

Watching movies couldn't be easier using RV Media's inbuilt DVD player. Not only can you watch DVD's, you can also listen to audio CD's. Both the TV and DVD functions are controlled conveniently by the same remote control. RV Media TV's also feature Co-axial digital output for optional connection to surround sound systems and a headphone output so you can watch movies without disturbing others.

#### 12/24/240V OPERATION

Included with this Television is a 2 metre 12/24V accessory plug power adaptor. This allows connection in most vehicles and ensures that RV Media TV's can easily cope with the voltage fluctuations found in today's modern Caravans & RV's using a combination of batteries, chargers and solar. A 240V power supply is also included making this TV also ideal for use at home or utilising the RV's 240V supply.

#### ADDITIONAL FEATURES

Long Range Analogue TV Tuner  
Long Range HD DVB-T Digital TV Tuner  
USB PVR Function with Time Shift  
USB Multimedia Playback  
VESA 100mm x 100mm Mount Point 19" & 22"  
VESA 75mm x 75mm Wall Point 24"

#### INPUTS

HDMI x 1  
USB 2.0 x 1  
VGA(PC) x 1  
Component 1

Antenna x 1  
PC Audio (3.5mm) x 1  
Composite x 1

#### ACCESSORIES

Remote Control  
300mm USB Extension Cord  
240V Power Supply  
12/24V Accessory Plug Power Supply  
Removable Desktop Stand

#### OUTPUTS

Co-axial Digital x 1  
Headphones/Aux x 1

**19" Full HD** 042307

**24" Full HD** 042701

### Remote Control For RV Media TV's

To Suit RV Media TV's - 19in/22in/24in

042387

### Power Adapter 240 Volt For RV Media TV

To Suit RV Media TV's - 19in/22in/24in

#### FEATURES:

- Does not include 240V lead

042388

### 12/24 Volt Cigarette Lighter Power Lead

To suit RV Media LED TV's.

041438

## Television Accessories

### RV Media 12V Blu-ray DVD Player HDMI Out/Ext IR & SD Input

This 12V Blu-ray player with up to 1080p resolution will ensure stunning quality from your HD TV. No need for inverters and additional power points as the RV Media Blu-ray player will operate off the RV's 12V Electrical system.  
Installs as a separate component in conjunction with you RV's TV and RV Head Unit.

#### SPECIFICATIONS:

- HDMI & Composite A/V outputs
- Unit can play Blu-ray, DVD, VCD & CD discs.
- Supplied with a full-function remote control and IR extender allowing the remote to operate from longer ranges.
- MP3, AAC, MP4, DivX, XVID, ASF & MKV file playback via SD card.
- RV Media head units are an ideal companion to this unit to allow Blu-ray audio to be played through the RV's audio system.

042494

## Television Mounting Brackets

### LCD TV Bracket Pivot Swing Arm

Adjustable all directions - up, down, left, or right

Maximum weight load: 10kg

LCD SML PIV WALL SWINGARM 10KG  
LCD LGE PIV WALL SWINGARM 10KG

002228  
002230

### RV Media LCD TV Mount 1 Arm 15kg rated supplied with 2 Bases

Designed specifically for the RV Industry, RV Media by Camec TV Brackets feature the ultimate combination of functions ideal for all RV requirements.

#### FEATURES:

- Bracket is removable from the mounting base (to allow the bracket to be used on another mounting base in or outside the RV)
- Bracket head is removable to allow easy stowage of the TV when the vehicle is in transit.
- Easy locking system to lock the bracket against the wall when the vehicle is in transit.
- Mounting base includes a spirit level for quick & easy installation.
- Easy cable management system using removable plastic clips on the arms.

#### SPECIFICATIONS:

- Thumb screws are supplied to allow easy removal of the mounting bracket or head without the need for special tools.
- VESA 100 x 100 mounting points
- Adjustable head by up to 14° in all directions
- All brackets rated at 15Kg load strength.
- A BONUS second mounting base is supplied in the kit to allow an easy and cost effective addition of a second bracket mounting point.

042162

### RV Media LCD TV Mount 2 Arm 15kg rated supplied with 2 Bases

Designed specifically for the RV Industry, RV Media by Camec TV Brackets feature the ultimate combination of functions ideal for all RV requirements.

#### FEATURES:

- Bracket is removable from the mounting base (to allow the bracket to be used on another mounting base in or outside the RV)
- Bracket head is removable to allow easy stowage of the TV when the vehicle is in transit.
- Easy locking system to lock the bracket against the wall when the vehicle is in transit.
- Mounting base includes a spirit level for quick & easy installation.
- Easy cable management system using removable plastic clips on the arms.

#### SPECIFICATIONS:

- Thumb screws are supplied to allow easy removal of the mounting bracket or head without the need for special tools.
- VESA 100 x 100 mounting points
- Adjustable head by up to 14° in all directions
- All brackets rated at 15Kg load strength.
- A BONUS second mounting base is supplied in the kit to allow an easy and cost effective addition of a second bracket mounting point.

042163

### RV Media LCD TV Mount 3 Arm 15kg rated supplied with 2 Bases

Designed specifically for the RV Industry, RV Media by Camec TV Brackets feature the ultimate combination of functions ideal for all RV requirements.

#### FEATURES:

- Bracket is removable from the mounting base (to allow the bracket to be used on another mounting base in or outside the RV)
- Bracket head is removable to allow easy stowage of the TV when the vehicle is in transit.
- Easy locking system to lock the bracket against the wall when the vehicle is in transit.
- Mounting base includes a spirit level for quick & easy installation.
- Easy cable management system using removable plastic clips on the arms.

#### SPECIFICATIONS:

- Thumb screws are supplied to allow easy removal of the mounting bracket or head without the need for special tools.
- VESA 100 x 100 mounting points
- Adjustable head by up to 14° in all directions
- All brackets rated at 15Kg load strength.
- A BONUS second mounting base is supplied in the kit to allow an easy and cost effective addition of a second bracket mounting point.

042164

**Antenna**

**Jack Antenna Roof Mounted Built In Signal Meter**

**WIDER RECEPTION RANGE**

Less directional than traditional RV antennas to provide broader reception coverage.

**GREATLY IMPROVED UHF RECEPTION**

Superior reception of UHF signals where many of the new Digital TV channels are broadcast, also offers great reception of remaining VHF channels.

**BUILT IN AMPLIFIER**

Enhance weak signals in fringe areas for improved reception. Flush wall mount power switch with cable/antenna inputs and 2 TV outputs available.

**COMPACT, AERODYNAMIC DESIGN**

Aerodynamic mount offers superior wind resistance, is 70% smaller and requires less roof space than traditional RV antennas.

**BUILT-IN DIGITAL SIGNAL METER**

Point the antenna for maximum reception before scanning for channels to simplify setup and eliminate frustration.

**NO CRANK HANDLE**

Fixed height requires no cranking up or down. No need to remember to stow antenna away before driving away.

**EFFORTLESS ANTENNA ROTATION**

Easily rotate antenna with two fingers.

**EASY TO INSTALL**

Works with varying roof thicknesses (32mm to 114mm) and easily replaces existing antennas.

**FULL 360° ROTATION**

No reception dead-spot due to rotational limit commonly found with other antennas.

**SPECIFICATIONS:**

- Dimensions: 318mm(l) x 220mm(h) x 415mm(d)
- Weight 1.04kg
- Maximum Roof Pitch: 3 degrees
- Roof Thickness: 32mm to 114mm
- Frequency Bands: VHF (47-230Mhz) - 20 dB gain UHF (470-860 Mhz) - 25 dB gain

JACK ANTENNA ROOF MOUNTED SINGLE	White	040288
JACK ANTENNA ROOF MOUNTED PK/5	White	040289
JACK ANTENNA ROOF MOUNTED PK/5	Black	041402

**Jack Outdoor Antenna**

Perfect antenna for caravans, RVs and residential use.

**FEATURES:**

- Built in amplifier for maximum VHF and UHF reception.
- Universal bracket for pole mounting

**SPECIFICATIONS:**

- Dimensions Antenna Head: 415mm(w) x 55mm(h) x 318mm(d)
- UHF (470-860) MHz - 25dB gain
- Frequency Bands: VHF (47-230) MHz - 20dB gain

040287

**Winegard Sensor III Amplified TV Antenna**

Winegard RV-3095 Sensor III Amplified Directional Roof-Top RV UHF / VHF Pop-Up/Rotating TV Antenna, Cable Ready, RV3095.

**FEATURES:**

- 12V DC power supply/wall outlet
- RV3090 compact antenna with built in amplifier
- Includes solid state antenna
- Mounted on rugged aluminium lift which raises, lowers (to within 100mm of roof) and rotates from the inside of the RV.

**SPECIFICATIONS:**

- Cable - 6m & TV set cord with band separator.

WINEGARD SENSAR AMPLIFIED ANT	002313
WINEGARD SENSAR ANTENNA 4 PACK	002312

**Winegard Wingman DTV Sensor Antenna Add On**

The Winegard Wingman is an add-on for the Winegard Sensor III antenna to boost DTV signals - especially in fringe areas. A great addition to get the most out of your Sensor III antenna.

**FEATURES:**

- Installs in minutes, no tools required
- Optimises Sensor for DTV channels
- Increases UHF performance up to 100%
- Attaches to existing SENSAR head

**SPECIFICATIONS:**

- Dimensions: 419mm(l) x 356mm(h) x 356mm(d)
- Weight: 453gm

039699

**Antenna**

**Winegard Replacement Amplified Head**

Replacement head for Winegard Sensor III antennas

002326

**Winegard Hideaway Retractable Antenna**

Suitable for motor homes, camper trailers, mobile homes and boats.

**FEATURES:**

- UHF/VHF/FM travel antenna designed to pick up stations in all directions without rotation
- Opens and closes like an umbrella. When traveling it is stored inside weatherproof tube
- Includes housing with rain cap, shielded antenna, cable with connectors
- Includes mounting hardware

002328

**Winegard Roadstar 2000 Antenna**

Continuously picks up VHF/UHF/FM signals from all directions without need for adjustment.

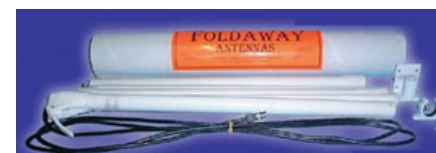

**FEATURES:**

- Contained in a slim, stylish, high impact weatherproof housing for protection from ultra-violet
- Special low-noise
- Solid state amplifier is designed to boost weak signals

**SPECIFICATIONS:**

- 12V DC power supply

002327

**Foldaway Standard Antenna**

Suitable for standard caravans.

**FEATURES:**

- 360° of tuning either vertically or horizontally - can even be placed in an inverted "V" configuration
- Compact and ready to plug in
- Includes cable and bracket for mount on the outside
- Digital compatible

**SPECIFICATIONS:**

- Dimensions: 600mm (length) x 90mm diameter
- Weight 1.5kg
- Tube dimensions: 630mm (length) x 100mm diameter

002278

**Foldaway Tallboy Antenna To Suit Wind Up Camper**

Suitable for use on A Vans, Pop Tops and Wind up Campervans.

**FEATURES:**

- Light weight
- Compact
- Folds up quickly to fit in the supplied carry tube
- Includes cable and brackets ready to mount on the outside of camper

**SPECIFICATIONS:**

- Tall boy antenna gives another 500mm height, extending standard antenna a total of 2 meters
- Can be set a various angles
- Cable ends with co-axial fitting

002277

**Happy Wanderer-Pop Top Antenna**

Simple to erect and stow. Tunes to horizontal and vertical polarised signals and can pick up UHF/VHF TV, FM radio and digital signals.

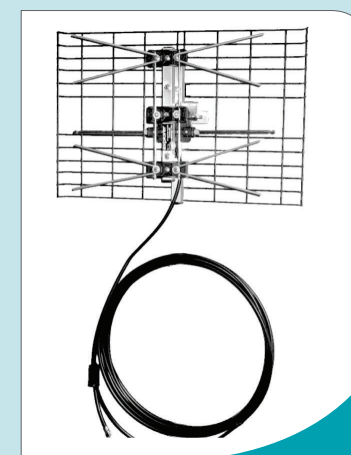

**FEATURES:**

- Includes hook on bracket

**SPECIFICATIONS:**

- Dimension: 600mm x 90mm

002287

**Antenna Explorer Kit-C3**

Antenna is for VHF & UHF signals in either a vertical or horizontal pattern.

**FEATURES:**

- Booster for low powered transmitters (there are many in regional areas)
- Low loss cables all terminated
- Signal saving Thru-the-Wall connection kit complete with injector

and 240/12 volt transformer

- Just add your mount and mast

**SPECIFICATIONS:**

- Box Dimensions: 510mm(l) x 135mm(h) x 340mm(w)
- Box Weight: 2.3Kg

002302

Antenna Accessories & Spares

**Jack Spares**

JACK POWER INJECTOR - SPLITTER 042068  
 JACK POWER SUPPLY 240V-12DVDC 042069  
 JACK SURELOCK W/HOUSING 042070  
 JACK CABLE RG174 M TO M15" 042071  
 JACK CABLE RG174 M TO M21" 042072

**Jack Female F-Connector Cap Aux6729**

040862

Antenna Accessories & Spares

**Winegard Spring**

Replacement spring to suit Winegard Sensor antenna - refer codes 002312 & 002313.

002319

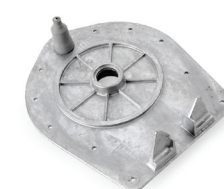

**Winegard Housing Rotating Gear**

Replacement housing rotating gear to suit Winegard Sensor antenna - refer codes 002312 & 002313.

**FEATURES:**

- Includes gear housing, pins x 2, bearing, o-ring seal, retaining rings x 2 and nut

002323

**Winegard Ali Gear H/Base Plate**

002317

**SureLock Antenna Signal Meter SI1000**

SureLock is a digital TV signal meter that enables you to pinpoint the location of television towers prior to scanning for television channels.

040286

**Jack 12 Volt Injector Socket 21253**

Combined F-connector antenna plug and 12V outlet socket. Also injects power in to the antenna lead for amplified antennas. Works with most brands of amplified antenna.

040863

**Winegard Directional Handle Extension**

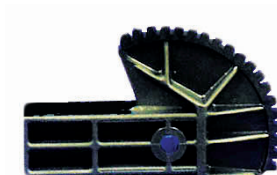

002320

**Winegard Nylon Bearing**

Suit Sensor antennas.

002324

**Winegard Elevating Plastic Gear RP-3000**

Replacement elevating plastic gear to suit Winegard Sensor antenna - refer codes 002312 & 002313.

002315

**Explorer Plate Flylead & Connector Passive**

Ideal for satellite or Foxtel or any brand of antenna.

**FEATURES:**

- Comes with new fitting for existing antenna cable and weather boot
- Thru-the-Wall passive connection kit and new low loss fly lead
- A bonus PAL to Female adaptor is included

002344

**Winegard 36in Elevating Tube(2)**

002321

**Explorer Wall Connector 19-32mm Space Through Wall**

Suits cavity or wall thickness of 22mm to 37mm. Designed for Explorer boosted antennas only.

**FEATURES:**

- Requires PS-P power supply
- Power injector is built onto plate
- If you sell your van then you will need this for a new van or if you have a 12V non-explorer system you could use to tidy up your cables and connections.

002374

**Winegard Elevating Shaft Assembly**

Replacement elevating shaft assembly to suit Winegard Sensor antenna - refer codes 002312 & 002313.

**FEATURES:**

- Includes Worm gear and 12.25in hex elevating shaft, wave washer, flat washer, O-ring & Worm gear nut

002316

**Winegard Directional Handle Kit**

Replacement directional handle kit to suit Winegard Sensor antenna - refer codes 002312 & 002313.

**FEATURES:**

- Includes white directional handle, ceiling plate, screws x 4, spring and decal
- Winegard directional handle kit previously called RP-5300.

002322

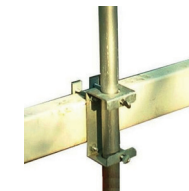

**Explorer 3M Fly Lead To Suit Antenna Kit**

For that extra distance between the antenna socket and where you want the view the TV.

**SPECIFICATIONS:**

- PAL Male to F Male

002350

**Explorer Standard Draw Bar Mount**

Heavy Duty, galvanised suits "standard" draw bar (4in/100mm).

**FEATURES:**

- Suits up to 40mm mast and 100mm draw bar

002361

**Side Mount Kit & 2 Piece, 2.8M Mast**

To suit Explorer Antenna. Side mounts are recommended when access to the drawbar is restricted.

**FEATURES:**

- Includes 2.8m 2 piece aluminium mast which collapses to 1.5m
- Includes plastic side mounts and stainless steel fittings

002370

**Winegard Hex Crank Handle**

Replacement hex crank handle to suit Winegard Sensor antenna - refer codes 002312 & 002313.

002314

**Explorer Side Mount Brackets**

Side mounts to suit 32mm aluminium, wood or conduit masts. Ideal for all types of caravans, boats, horse trucks etc.

**FEATURES:**

- Includes stainless steel fittings

**SPECIFICATIONS:**

- Sold Pk/2

002372

**Explorer Passive Through Connector Pc6A**

Connection upgrade to a "PASSIVE" kit - for use with any antenna. These connections will improve performance for TV and satellite signals in the 120Mhz to 840Mhz range.

002378

**Coaxial Deep TV Socket White (1A/770/TVCmm x)**

002394

Antenna Accessories & Spares

**Winegard Wall Power Switch -White**

Winegard 12V Socket Wall Plate to suit Winegard TV Antennas. NEW Model -This unit is equipped with a polyswitch (current limiting device), which will shut down +12V if there is direct short between antenna and power supply. Green indicator light will not light. Once short is eliminated, device will reset itself in approximately 2 minutes.

Do not connect high current devices to the 12V receptacle like hair dryers. Max current 7.5amp.

**SPECIFICATIONS:**

- Measures 115mm x 70mm (has PC Board on rear).

002318

**Explorer Power Supply**

Power supply for explorer antenna system. C2 C3 C10 or C3sg in fact any genuine explorer system. Replacement part.

**SPECIFICATIONS:**

- Dimensions: 50mm x 60mm + lead
- Weight: 20gm
- Power: 12V DC

002345

**Winegard Cable Kit**

Includes 1 x 1.2m & 1 x 6m cable & connectors

002325

**Coaxial Through The Wall Kit**

**FEATURES:**

- Works on existing antenna and is ready for digital and satellite
- Quick and easy do-it yourself kit
- Adjustable to suit various wall thickness
- Rubber weather protection cap to keep out moisture

002382

**Coax Lead 1.8M Double Ended Standard (Home Style) TV Lead**

002339

**Coaxial 1.8M Fly Lead**

Suit TV/Antenna Installation.

**SPECIFICATIONS:**

- Female to Female connector

040842

**TV Fly Lead 1.5M Standard & Female Connector**

Suit any combination. (TV218/6MP)

040844

**Coaxial 4.5M Lead (Home Style Lead)**

**FEATURES:**

- Includes Male to Female adaptor

**SPECIFICATIONS:**

- Male to Male connector

035134

**Coaxial TV Cable 75OHM**

Low loss cable 75OHM.

**SPECIFICATIONS:**

- No connectors fitted
- Sold 100m

002336

**Coaxial Plug Male Chrome Steel**

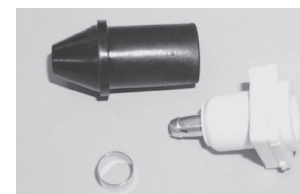

Coaxial Male TV plug

**SPECIFICATIONS:**

- No crimp tool required

002384

Antenna Accessories & Spares

**Coaxial Mechanism (30TV75M)**

**SPECIFICATIONS:**

- 75 OHM plate mount

Colour: White

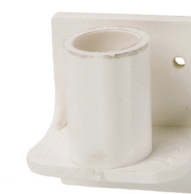

002392

**Foldaway Antenna Extension Arm**

To suit Foldaway Antenna's - refer codes 002277 & 002278.

002280

**Foldaway Antenna Mounting Bracket**

Replacement bracket for Foldaway antenna's - refer codes 002277 & 002278.

002281

**Foldaway Antenna Upper Mount Clip**

Replacement upper mount clip for Foldaway antenna's - refer codes 002277 & 002278.

002282

**Foldaway Antenna Amplifier 240 Volt**

Designed for installation where the picture quality to one outlet is undecipherable.

**FEATURES:**

- Optimised for digital and analogue signals
- Head unit can be installed inside/outside the mast

**SPECIFICATIONS:**

- Provides up to 34DB Gain
- Operates 12/240V

002285

**Thru The Wall Direct Connect To Suit Coaxial Cable**

Connects antenna directly to the TV to avoid breaks in the connection.

034974

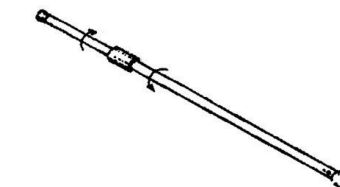

**Camlock Telescopic Mast Aluminum - 25mm**

Aluminium Camlock action. Lightweight and compact.

**SPECIFICATIONS:**

- Diameter: 25mm
- Extends from 1.83m to 3.65m
- Telescopic 2 section aluminium mast

035132

**Camlock TV Mast Aluminum - 32mm**

Aluminium Camlock action. Lightweight and compact.

**SPECIFICATIONS:**

- 32mm diameter
- Extends from 1.83m to 3.65m
- Telescopic 2 section aluminium mast

002356

**TV Mast Galvanised 2 Piece Telescopic**

002358

**Coaxial Adapter (For USA Antenna)**

To suit USA Wall Plate - Female Connector to Standard TV Lead.

**SPECIFICATIONS:**

- Video adaptor "F" socket to PAL plug

002387

**Adapter - F to PAL**

To plug in back of TV. (PA32U)

040845

**Coaxial Surface Socket External**

**FEATURES:**

- Includes screws

002390

**Coxial Angle Socket (30TV75S)**

**SPECIFICATIONS:**

- 75 OHM surface mount

Colour: White

002389

**Camlock TV/Pool Pole Aluminum - 25mm**

Aluminium Camlock action. Lightweight and compact.

**SPECIFICATIONS:**

- 25mm diameter
- Extends from 1.83m to 3.65m
- Telescopic 2 section aluminium mast

002357

**Camlock TV/Pool Pole Aluminum - 32mm**

Aluminium Camlock action. Lightweight and compact.

**SPECIFICATIONS:**

- 32mm diameter
- Extends from 2.44m to 4.8m
- Telescopic 2 section aluminium mast

002363

**A-Frame Mount For TV Mast**

Universal "A" frame clamp to fix antenna mast to caravan "A Frame".

**SPECIFICATIONS:**

- Bracket dimensions: 40mm diameter and A frame can be 110mm high and 50mm wide

042664

Head Units & Amps

**RV Media AM/FM/USB/SD Head Unit Bluetooth with App Control & TV In**

Exclusively Designed for the RV Industry!

**FEATURES:**

- Dedicated TV audio input to enhance your existing TV's sound
- Quick Tune feature for easy radio tuning when on the move
- Wireless remote control via Smartphone Apps
- A2DP Bluetooth Audio Streaming
- System voltage display function

**SPECIFICATIONS:**

- Dedicated rear TV input - modern LCD TV's have very small speakers. By connecting your TV to the TV input, you can enjoy quality audio for movies & music
- Quick Tune Function - find local radio stations when travelling quickly & easily using our dedicated Quick Tune Button
- Easy App control - control volume, source and more with a free compatible App.
- Just search "caradio" in the App store or Google Play 50W x 4 max power output
- Separate USB & SD input slots for MP3 playback.

041840

**RV Media CD/Tuner With USB/SD Bluetooth & TV Input**

Exclusively Designed for the RV Industry!

**FEATURES:**

- Direct iPhone USB Connection Also Charges your iPhone
- Dedicated TV Audio input to enhance your existing TV's sound
- Quick Tune Feature for easy radio tuning when on the move
- Flip-Face protects CD mechanism from dust & elements
- Large easy to read LCD display

041841

Head Units & Amps

**RV Media 400 Watt RV Amplifier 2-Channel Super Compact**

Increase the power and improve the quality of an RV's audio system. This RV Media 400W Compact RV Power Amplifier is easy to install and is suitable for car use as well.

**FEATURES:**

- Super Compact - only 33mm deep
- Compact design for installation in tight locations
- Super-efficient Class D operation for low power consumption
- Supplied with mounting brackets, screws, mounting tape, allen keys & spare fuse

**SPECIFICATIONS:**

- Features RCA & Speaker Level inputs.
- Dimensions: 160mm(w) x 142mm(h) x 33mm(d)
- 2 x 50W RMS rated output power
- Stereo 2-Channel operation

041375

**RV Media 6 Inch 200 Watt LED Waterproof RV & Outdoor Speakers Lights**

Patented combined Waterproof Speaker & integrated LED Awning/Exterior light! RV Media waterproof speakers are designed for exterior use on RV's and are also suitable for marine & outdoor applications. The waterproof design includes a plastic grille, waterproof polypropylene cone, custom plastic speaker basket and they are supplied with a pair of BONUS spacers and rubber sealing gaskets.

The spacers allow the speakers to be angled downwards towards the listener and as an added bonus, reduce the required mounting depth required for the speakers.

The rubber gaskets are ideal for mounting the speakers on sandwich panel walls, fibreglass & similar surfaces - eg marine. The speakers and lights operate independently so they can be fitted to new or used RV's. Connect the speakers to the RV's audio system and the LED lights can be wired to the existing interior light switch & power circuit.

**FEATURES:**

- 200W 2-Way speaker with custom bridge tweeter
- 3 year warranty
- 30 cool white super bright LED's (per speaker)
- Ideal for RV, Marine & Home
- Supplied with rubber screw covers for a neat install

**SPECIFICATIONS:**

- 200W Max Power Handling
- LED operation - 10-28V DC; 0.5A Max current draw.
- Speaker impedance: 4 OHM
- Supplied with mounting screws, 2 x 2M length OFC speaker cables, 2 x spacers & 2 x rubber sealing gaskets
- Mounting depth: 36.5mm (approximately 22mm when using spacers)

RV MEDIA 6IN 200W 30 LED W/PROOF White 041850

RV MEDIA 6IN 200W 30 LED W/PROOF Black W/SPACERS 042491

**RV Media Fully Waterproof Wired Remote Control**

Features an LCD display which mirrors the Head Unit display showing radio station info, track title etc. Includes all major function buttons incl on/off. Suits RV media head units - 041840 and 041841.

**SPECIFICATIONS:**

- Complete with mounting kit comprising of a metal mounting bracket, screws & 3M double-sided tape.
- When mounting further than 500mm from the head unit, use 041846 6M extension.
- You also can install 2 of these remotes by using the 041844 Y adapter

041842

**RV Media RF Wireless Remote Control**

Enjoy easy operation of your RV Media head unit from up to 10M away! Works anywhere inside or outside the RV - as there is no need to point it directly at the head unit. Also features an inbuilt LED torch. Suits RV media head units - 041840 and 041841.

**SPECIFICATIONS:**

- Complete with a mounting cradle that screws or sticks to the wall.
- Can be used in conjunction with the 041842 RV Media wired remote using the 041844 Y adapter.

041843

**RV Media Y Adapter For Wired & RF Remotes**

Allows you to connect 2 remotes to the one head unit

041844

**RV Media 6 Meter Extension Cable**

For use with the RV Media 041842 wired remote.

## Speakers

### RV Media 200 Watt Waterproof 6 Inch 2-Way RV & Outdoor Speakers

RV Media Waterproof speakers are designed for exterior use on RV's and are also suitable for marine & outdoor applications. The waterproof design includes a plastic grille, waterproof polypropylene cone, custom plastic speaker basket and they are supplied with a pair of Bonus spacers and rubber sealing gaskets. The spacers allow the speakers to be angled downwards towards the listener and as an added bonus, reduce the required mounting depth required for the speakers. The rubber gaskets are ideal for mounting the speakers on sandwich panel walls, fiberglass & similar surfaces - eg marine.

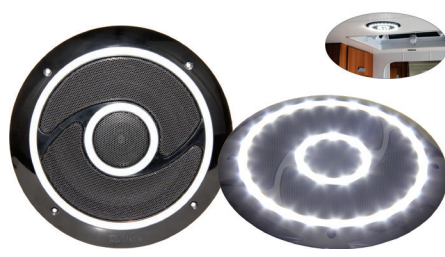

#### FEATURES:

- 200W 2-Way speaker with custom bridge tweeter
- Great for RV, marine & outdoor use
- Supplied with rubber screw covers for a neat install
- One piece easy install design

#### SPECIFICATIONS:

- 200W Max power handling.
- Supplied with mounting screws, 2 x 2M length OFC speaker cables, 2 x spacers & 2 x rubber sealing gaskets
- 2-Way Speaker design with custom bridge mounted Tweeter
- Mounting Depth: 36.5mm (approx.22mm using spacers)
- Speaker Impedance: 4 OHM
