SANEO

THE NEW SANEO CERAMIC TOILET IS PATENTED DESIGN THAT ENSURES SAFETY AT ALL TIMES

90°
ADJUSTABLE
BOWL

Sometimes all you need to know is that you are choosing a comfortable, clean and safe toilet. The Saneo ceramic toilet is unrivalled in the conscientious design involved in ensuring your ultimate well-being is always protected. This ceramic toilet has patented safety features. We care and we think about it, so that you don't have to.

Revolving cassette toilet with high quality, scratch-resistant ceramic inlay and many details for extra comfort. Dometic Saneo with auto-closing lid and patented dual closing safety valve. Dometic Saneo CS series with anatomically shaped bowl and high-power flush. Both series are available with or without integrated flush water tank.
