CLASSIC GARDEN STRUCTURES

# CLASSIC GARDEN STRUCTURES

## timeless in no time

**Limestone Trail provides classic garden structures** that offer unlimited possibilities for enhancing your life at home or at the cottage. From gazebos to garden sheds to bunkies, we offer a huge range of designs, customizable to your preferred style – all at fantastic value. Our structures are the smartest alternative to the Big Box stores' mass-produced kits, without having to pay the high price of a completely custom-built structure.

We build our structures to be timeless in style and time-tested in durability. Just choose from the many architectural designs and customization options, and we'll install it in less than a day once the components are ready. It's your answer to having a timeless structure in no time at all!

### **CLASSIC, TIME-TESTED DESIGNS**

Crafting structures since 1987, we have a wide range of designs and customization options.

### **QUICK & STRESS-FREE INSTALLATION**

Your structure is pre-manufactured at our factory, so that we can install quickly and quietly, and be done within the same day!

### **NO BIG BOX STORES. NO CONTRACTORS.**

But you still get the custom choices like having your own contractor and the great ticket price of the big retailers.

## CABANAS & POOL HOUSES

### PRODUCT TYPES:

Cabana Style | Dorchester | Cabin Style  
Wellington (5 sides) | Flex (8 sides)

*Today's cabanas and pool houses are the ultimate in outdoor enjoyment, and not just because of their stunning beauty.*

The real enjoyment comes with all the leisure possibilities the cabana or pool house offers. More than just a shaded lounge area by the pool, it can be a special setting to dine with friends, a favourite family space, a needed storage area, a summer guest cottage, even a place to gather by a crackling fire. When you want to get the most out of your summer in the backyard, this is a great way to extend the day – and the entire season!
